FOR IMMEDIATE RELEASE

LOCAIR TO EXPAND SOMERSET/LAKE CUMBERLAND FLIGHTS WITH 2 NEW MARKETS

Ft. Lauderdale (April 23, 2009) – LOCAIR, INC. is pleased to announce the introduction of additional available service to Cincinnati, Ohio and Washington Dulles International Airport, Virginia. The flights will operate in coordination with the current service to Nashville, Tennessee.

New additional service between Lake Cumberland Regional Airport, Somerset, Kentucky, and Cincinnati will be available starting May 21st, 2009, on Mondays, Thursdays, Fridays, and Saturdays. Fares start as low as \$49* each way, plus taxes, when purchased by May 8th.

Service between Lake Cumberland Regional Airport and Washington Dulles International Airport, located in suburban Washington D.C, will be available starting on June 8th, 2009, on Mondays and Fridays. Fares start as low as \$99* each way, plus taxes, when purchased by May 8th.

“These new services pave the way for new economic development, more jobs and greater tourism in the Lake Cumberland region,” said Congressman Hal Rogers. “In these challenging economic times, I am delighted to see growth and increased development throughout the region. LOCAIR’S work to provide more options and opportunities for the community is appreciated and I look forward to their continued success.”

Somerset Mayor Eddie Girdler expressed appreciation to LOCAIR for expanding service and continuing to make a new regional industry through aviation. “LOCAIR’S expansion reflects a good working partnership and commitment to the future economic growth of Somerset.”

“Cincinnati is a large market for our Lake Cumberland area, I view air service to and from Cincinnati a great asset for our area,” says Carolyn Mounce, Executive Director of the Somerset-Pulaski Convention & Visitors Bureau, “I view this as a great day for Somerset and Pulaski County.”

“This is a great opportunity for us to evaluate the best markets for Somerset,” remarked Michael Lochmueller, CEO of LOCAIR, “by providing additional available flight options, we can expand the air transportation opportunities for visitors, businesses, and those living in Southeast, Kentucky desiring to travel into or out of the area by air.

“We expect the additional destinations to be beneficial to the region’s economic potentials as well as additional convenience to the traveling public. We have been experiencing an increase in demand for Nashville, (TN) air service and as a result we have been listened to the community, residents, and businesses regarding their needs for additional availability in air service from Lake Cumberland Regional Airport in Somerset. Our goal is to serve the public need,” Nathan Vallier, General Manager, had commented to the media. “We’re pleased that we will be able to coordinate equipment and personnel to address the community’s expectations and need for additional efficient air passenger service to and from the requested destinations.”
